Come and see us at the Great Ecclestone Show on 14th & 15th July!

The Great Ecclestone Show is a two day event showcasing every aspect of rural endeavour and this year our Small Animal Team will be there!

Why not come along to the Oakhill marquee - we'll have lots of fun activities going on and some fantastic prizes to be won!

There'll also be some great competitions in the main ring at the show, including heavy horse classes and Holstein classes, some of which are sponsored by Oakhill Equine Vets and Oakhill Farm Vets respectively.
